

Border Fences

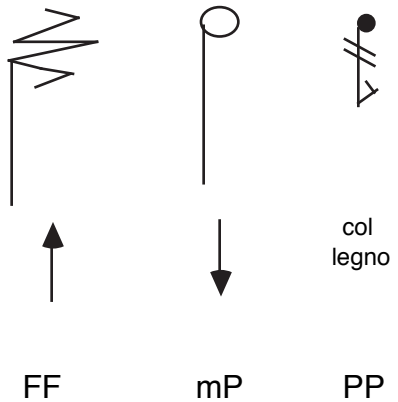

Richard Lerman ©1998 BMI

Audience and Performer(s) should be on different sides of the fence

- try to go thru the fence
- shine a light on the fence
- jump/climb over the fence
- play the fence with money
- strike fence with soft mallet
- bow the wire to the fence
- blow on the wire to the fence
- drape razor wire on the fence
- draw string thru the fence
- shout thru the fence
- sing thru the fence
- cut/saw the fence
- bow the fence
- heat the fence with a torch
- play fence with passport
- locate the fence with a compass
- pour water on the fence

with audio samples recorded from Border Fences between Mexico and Arizona, controlled by the pitch of sounds from the live performance on the fence
